

## **Annual Plan of the Department**

This year Department is planning to implement curriculum that will be in accordance with National Education Policy 2020. This policy determined to implement Choice Based Credit System that will benefit students by giving them more oppurtunities and freedom to select the subjects of their interest. The new curriculum along with basic course will offer students new courses of interdisciplinary nature for skill as well as personality development. Hence, rigrous efforts and planning is being done to enable students to develop into successful professionals, scholars, resposible citizens and leaders.
