Mission Shakti

Government of Uttar Pradesh

Objective- Uttar Pradesh Chief Minister Yogi Adityanath announced that there will be a separate room now for women complainants in 1535 police stations across the state. The UP CM made the announcement at the launch event of 'Mission Shakti' programme for women security in the state. In Uttar Pradesh, the incessant rape, gang rape and murder incidents are becoming common. Here criminals are openly carrying out their crime without fear. If we look at the recent two-month figure, more than four mass rapes and ruthless murders took place. Apart from this, many innocent people have been raped or gang-raped with girls and some of these cases are not even open. Chief Minister Yogi Adityanath launched the "Mission Shakti" program today after the gang rape and murder incident in Balrampur.

Outcomes- The following information was obtained from Mission Shakti, a campaign lasting from 11 to 20 October 2020.

- 1- Got to see awareness among women.
- 2- Awareness related to domestic violence and molestation has increased in women.
- 3- Who has got the rights of women from the government and how can they take advantage of it, information was given by this campaign.

- 4- Who was benefited with the benefits of Yoga, women were given.
- 5- All the students were sworn that they would not commit any kind of violence.

THANKS
